

Masks:

- ★ All staff will be wearing masks inside and during transition times (on buses and moving from one place to another on sidewalks, paths, etc. where more people could be present)
- ★ ALL children will be encouraged to wear a mask during transition times but this is not required.

- ❖ At least 2 snacks/day - the more the better!
- ❖ Lunch - there will be no refrigerators so you must have an ice pack for any cold food
- ❖ Water Bottle (full) - we will provide refills throughout the day
- ❖ Bathing suit
- ❖ Towel
- ❖ Sunscreen (labeled with your child's name) – if you choose to have your child wear sunscreen
- ❖ Bug Spray (labeled with your child's name) – if you choose to have your child wear bug spray
- ❖ Extra clothes (socks, underwear, pants/shorts, shirts)
- ❖ Nap Items (for preschoolers only)

***All belongings will need to fit in your child's backpack (except nap items for preschoolers - these can be kept out of backpacks as we will have a space for these separate from each other) as they will be stored in bins to ensure separation of belongings at camp. We will bring backpacks along with only their essential items when we travel from one place to another and will leave their non essential items at base camp in their bins.

Please do not bring toys from home. Thank you!
